

**Online workshop:
Funding tomorrow's raw
materials sector**

**10:00 - 13:00 CEST
25 & 26 May 2020**

**Funding Tomorrow's Raw Materials Sector:
How can Regions make use of the public incentives from the EU?
25 & 26 May 2020 from 10:00 until 13:00 CEST - online**

How will EU mining and metallurgy regions be funded in the future?
Is Smart Specialisation Strategy now an enabler as well as a threshold?
How to attract investors to the EU mining and metallurgy regions?
Does the current policy framework sufficiently foster the raw materials value chain?

We are pleased to welcome you to an online workshop from the HORIZON 2020 Project **MIREU** – Network of Mining and Metallurgy Regions in EU – with financial support from the European Commission.

The workshop will be hosted on [GoToWebinar](#). After [registering](#) on the MIREU website, you will be sent a link nearer the time to easily access the workshop.

More information and registration can be found on the [MIREU website](#). Please feel free to contact info@errin.eu if you require any additional information.

All data is managed in compliance with the EU GDPR.
The participation of this Workshop is free of charge!
